Looks to be a wonderful Yule gift for my almost 11-year-old grandson!Especially when he learns he has a bit of Viking blood & dna in his own self!Excellent book for kids of all ages just beginning to learn about Vikings & the Norse culture/society!

National Geographic's EVERYTHING series contains over a dozen books that will jumpstart the exploration of science and history topics.EVERYTHING VIKINGS includes both historical and fantasy representations of Vikings. It begins with a history of key individuals and the Viking life. Next, it explores famous vikings and the Viking Gods. The book ends with Viking games and fun facts. The colorful photographs, diagrams, maps, and graphics will draw in readers of all ages.Librarians will find that this entire series will fly off the shelves. Each short, highly visual book is chuck-full of fascinating facts that will ignite the imagination.

Nice Book about Vikings. My son loved this book. Great book to explore more about our world through the time. The Vikings are talked about all the time in my house.

I got this for a 5 year old who loves Vikings. The book is informative enough to be interesting to adults and has enough pictures to be interesting to small kids.

Giving it to the G-grandson.....he's a Viking.

Very interesting book. Fun to read.
