I bought it for my 10 year old. That was a mistake. It's a 26 page book with big type. Kind of a kindergarten kind of thing but the topic would not be interesting to a kid that young. I am not sure who the target market for this book is??

Very simple book. There is no age range listed but reading level would be 1st or 2nd grade.

Love Carli Lloyd! She's an amazing athlete. This was a good read that provided a pretty basic overview of her soccer career. Could probably have found the same info on Wikipedia.

Great series of books highlighting the current women players for the USA

My 7 year old Granddaughter loved it...She too wears #10

Very thin book, but I think my daughter will enjoy it.

Informational, but not what I expected.

LOve it!! Go Car!
