The Divided Family: The Amish Millionaire Part 5

Synopsis

Join New York TimesÂ bestselling author Wanda E. Brunstetter along with Jean Brunstetter in Holmes County for a dramatic new 6-part serial novel. In Part 5, The Divided Family, while in the midst of grieving their father and settling his estate, the Byler family faces some of lifeâ™s hardest challengesâ”sickness, disaster, loss. When Joel should be stepping up as the man of the family, his selfish determination continues to cause chaos. Can the family pull together, or will the prodigal son defy his fatherâ™s last wish and part the family for good?The Amish Millionaire -- A 6-Part Serial Novel #1: The English Son #2: The Stubborn Father #3: The Betrayed Fiancee #4: The Missing Will #5: The Divided Family #6: The Selfless Act

Customer Reviews

This series keeps getting worse and worse. How the author is going to wrap it up in the sixth book and a very short book at that I don't know. The main character is rather despicable and to have him turn around in the last book is going to be very unbelievable. Hopefully, the author will not have his ex-fianc e return to him. The most interesting character was the father which the author wrote out of the series a couple books back. I think Ms Brunstetter's books are being written by someone else at this point.

I love the story; but, I hate just receiving it in small segments. It's bad enough to have to wait for

entire books in an Amish trilogy, but having to wait for little segments is the pits. I love Wanda Brunstetter as a writer, but I will never again fall into this trap.

I couldn't wait to get this last book of the series. At the end of each book, Wanda left it as a cliffhanger. I was totally surprised with the ending of this book. This book opened my eyes and I realized I wasn't putting God first. I am now turning everything over to God and I have my eyes open. Fantastic series, I recommend it to everyone who might be feeling selfish.

Doris's story is truly sad. The way her sisters helped her after her accident was amazing. The whole family is praying for Joel to come back to God. Kristi is a special person, the things she does for her patients is remarkable. You won't be able to stop reading this book. You can feel God working throughout this whole story.

The story is interesting. The problem is after waiting a month for this to come out, I forgot some of the last book's happenings. I really like Wanda Brunstetter, but will not purchase these books in increments after this series. I read them in about an hour and then have to wait another month for the next one to come out. Very frustrating and also much more expensive than purchasing an entire book.

The Divided Family, the fifth book in Wanda Brunstetter's new series The Amish Millionaire. Wanda has been writing this series along with her daughter in law, Jean Brunette. It took me searching around to finally locate a copy of this book but after I read it I was glad I did. The authors once again brought more life to the Hyper family. With the cliffhanger we closed book four with was revealed in the opening chapter and the cliffhanger we are left with in this book leaves you really wondering what is going to happen! Even though the will was located in this book(I won't reveal where) the inheritance is still in question. Will Joel ever learn what his daed is trying to teach him? I was not given a complimentary copy of this book. I am submitting my honest review for an amazing addition to the series and I will be waiting for the conclusion in August. I have rated this book once again with 5 stars that it rightly deserves. Congratulations Wanda and Jean Brunette for a wonderful continuation of your series!

I read book 5 thinking it was the end of the series only to find out that the story isn't over, and now I have to wait and pay for book 6 and book 8 and book 12 and book 16, and the story simply isn't that

compelling that I'm going to go looking for book after book.

Very interesting series. Sorry I didn't wait until the series was completed as I'm impatient for the next book. The books are so short they can be read in a couple of hours and then the long wait for next one
