All Better Now

Synopsis

Sneezing! Stuffy! Ears a-pop! And from your nose, a drippy-drop Such green and slimy yucky glop! Can anybody make it stop? It's one thing when a toy breaks; but what about when a part of you isn't working right? This delightful, involving sequel to The Boo Boo Book cures children's fears when they're sick, and explains exactly what's going on with their bodies. The rhyming text and colorfully-designed interactive pages are just so much fun that kids won't focus on how bad they feel, but on why they'll soon get better. They'll lift a sheet of transparent pink plastic to cure pink eye; slide the mercury in a thermometer to take a temperature; and touch the embossed sneeze spray. From runny noses to rashes, earaches to stomachaches, a host of typical children's ailments are all illustrated and described.
