Customer Reviews

The items used for examples of each letter do not really do a good job of representing Mexico or it's culture. It seems written by someone who has a 70s era mindset of what Mexico is like.. but has never visited.

great book. used it for a class culture day for my daughter's preschool. paired it with a burro piÃ±ata and the kids loved it.

I bought this books for my third grade Spanish Dual-Immersion class. I just wish they had a version in Spanish.
