In His Presence

Synopsis

AT LAST, A REAL SOLUTION TO THE PRAYER PROBLEM! This book is not written about what others were and did, but about what we are and can do! It is a lifting of the curtain and a revealing of the holy of holies and our ability to enter it in stand in the presence of the Father. It is the discovery of the fact that God's ability is available to every child of God. Much of it will be new and a challenge to earnest spirits to climb the heights and to sound the depths of these tremendous spiritual realities. It will remove the mist that has surrounded the prayer life, and lead us out of spiritual mysticism into the LIGHT OF LIFE! It will show us the authority of the Name of Jesus, and how to use it. This book has been a challenge and blessing to countless multitudes all over the world. This is your invitation to open the door... enter... and stand in the presence of the Father!

Book Information

Customer Reviews

Bet you can read this book just once! I have read and re-read this book several times since I first bought it 10 years ago and have given it to several friends. I have read most of Kenyon's books listed at this site. The author helps you understand your position in Christ in very simple to understand words. His primary focus in this book is our fellowship with God the Father through Jesus using the discipline of prayer. You will gain a whole new understanding of just how powerful prayer can be and how much more we were each meant to attain in life.

I own most of kenyon's books and this blends great with all of his material and is an outstanding

addition to his collection. If your looking to purchase a Kenyon book for the first time, I'd go with "New Creation Realities" However, use the "Look inside this book" to see the table of contents and see which book may fit your needs. "From The Cross To The Throne" is a great first time book as well. Comments on this book: Like all of Kenyons material, its amazingly Holy Spirit Driven and will turbo charge you into God's word. Its well written and very detailed and he completes what he says. Kenyon and Wigglesworth are outstanding, although there are some other great ones, I don't see anyone quite like these two. God Bless! (...)

This is a must read for any one who would like to live in the secret place of the Most High God. It has opened and revealed me to truths that I had just brushed over. I have become more confident and aware of who I am in God's eyes.

Many of us forsake a true fellowship with God for a "hit or miss" prayer life. God desires for us to be fellow laborers with him, partakers of his divine nature, and this first begins in our relationship with him. This book, with such "heart" eloquence, urges and implores the believer to seek...even thirst after divine fellowship with the Father. With biblical truths it debunks all belief of unworthiness. It will help the believer take his rightful place as a son or daughter of God with the ability to come boldly to God with no sense of inferiority to have prayers heard and answered. If your prayer life has been lackluster, non-existent, or unfruitful, this book is for you.

I have read after Kenyon for several years now, but I just now got through reading In His Presence for the first time. I cannot believe how much better this book is, compared to all his others (I've read 'em all).

Please, my Christian family, this book is a must read!!!! The moment I started reading from the first page, I have been unable to put it down. Full of insight, God's Word truly. I was sitting one Sunday morning, listening to a radio station (620 AM WXLN) Jersey City, when I heard the pastor say to purchase this book "it will change your life." The book is not hard to read, straight and to the point.

Kenyon sees Christ as seated on the Throne of David, not an infant in a manger, not a figure on the Cross, not a resurrected good man, but the Divine Son of God, seated in authority at the right hand of God as the Zeal of the Lord makes His enemies his footstool. Kenyon also demands that Christians think. If you do not want to THINK, I recommend that you avoid him and take an easier

route. He will challenge you to read your Bible and DO what it says. E.W. Kenyon helped train Kenneth E. Hagin [according to Hagin], whose ministry influenced Kenneth and Gloria Copeland. In my opinion, Kenyon's writing is not for insincere faith.

Other reviews have very adequately described why this is an excellent book. I am compelled to respond to Mr. P Reynolds inadequate theology. We often refer to the Bible as "the Word of God." (By the way, I see nothing wrong with this, other than the confusion I am attempting to clear up.) Notice that Jesus did not use that terminology. Rather he used the word "scripture." Bible = Scripture. The Bible says that Jesus is the Word (Logos). See John 1. Kenyon is not saying that Jesus is a book. Also, Mr. P Reynolds seems to not understand the complexity of prayer. There are many types of prayer, not just intercession. Dear Mr. Reynolds. I recommend reading Kenyon's entire book before writing a review. Then you will understand why it deserves five stars, not one.
